

The newly elected PineRidge Board wishes everyone a happy and safe holiday season.

Since the election, the Board has been busy fact finding and getting up to speed on the state of our community including meeting with the past Board to transition.

Once again, we thank them for their many years of service to PineRidge.

Some of the issues the Board is working on are:

- Streets
- Insurance
- Fire mitigation
- Landscaping

We've held a couple "orientation" meetings to familiarize ourselves with what is currently in place and review processes and documentation.

Our goal is to publish a newsletter every quarter to keep you informed of what the Board is working on and what is happening in the community.

From your PineRidge Board,
Best wishes for the New Year!

The PineRidge Board is responsible for streets, open space and common areas such as the mail kiosk and entrances.
